

2024-10-21

Dear HSLs Undergraduate Students,

I have seven advising updates to share with you.

1. Key Dates

- a. Monday October 21: Academic advising begins.
- b. Monday October 28: Priority registration opens.

2. Academic Advising

- a. While it is not mandatory for you to meet with your advisor for course registration, you are welcome to contact your advisor with questions that cannot be answered on my advising webpage at <https://people.ohio.edu/jeng/advising.html>. My advising webpage has a QR Code now (shown above). Please feel free to share this QR Code with your classmates and friends.
- b. Your advisor will contact you shortly with their preferred method of communication. If you have trouble connecting with your advisor after multiple attempts, please let me know.

3. Registration HOLD

- a. For first-year, second-year, and third-year students, please follow the instructions from your Success Advisor (Ceci Rockwell, Logan Waldie or Betsy Kunstel), to schedule an advising meeting with her before your registration hold can be released
- b. For seniors, your registration hold will be released by Dr. Jeng before registration opens. There is NO need to contact your advisor to request the release.

4. OHIO Guarantee Plus

- a. If you are not enrolled in the OHIO Guarantee Plus program, you may skip this step.
- b. If you are enrolled in the OHIO Guarantee Plus program, please follow the instructions from your Success Advisor (Ceci Rockwell, Logan Waldie or Betsy Kunstel), to schedule an advising meeting, update your plan of study, confirm course selections, and receive relevant advising. You are also required to meet with your faculty mentor for career consultation and any other questions you may have. Your faculty mentor will contact you shortly with their preferred method of communication.

5. HSLs Classes and BRICKS (Double Dipping)

- a. HSLs 1070 Voice and Articulation: Bridges – Speaking & Listening (BSL)
- b. HSLs 1080 Introduction to HSLs: Bridges – Diversity & Practice (BDP)
- c. HSLs 1130 Introduction to Deaf Culture: Bridges – Diversity & Practice (BDP)
- d. HSLs 2140 Deaf Culture: Foundations – Intercultural Exploration (FIE)
- e. HSLs 4420 Preprofessional Issues: Capstone (CAP)

6. Spring Semester Only

- a. HSLs 3120 Advanced ASL II
- b. HSLs 3140 ASL Development
- c. HSLs 4130 Clinical Neuroanatomy

7. Graduate School Application

- a. For your convenience, I have listed some resources for graduate school application on my advising FAQ #25 <https://people.ohio.edu/jeng/advising.html#CurrentStudentsFAQ25>. Please feel free to check them out. If you know any other useful resource, please let me know. I am happy to add them on the advising webpage.

Sincerely,
Fuh-Cherng (Fuh) Jeng

2024-03-04

Dear HSLs undergraduate students,

I have five advising updates to share with you.

1. Academic Advising

- a. Although it is not required for you to meet with your advisor for course registrations, you are welcome to contact your advisor with questions that cannot be answered on my advising webpage <https://people.ohio.edu/jeng/advising.html>.
- b. Your advisor will contact you shortly with a preferred method of communication. If you have trouble connecting with your advisor after multiple attempts, please let me know.

2. Key Dates

- a. Monday March 25: Academic advising begins.
- b. Monday April 1: Priority registration opens.

3. Registration HOLD

- a. If your advisor is Ms. Caela Chadwell, please follow her instructions about scheduling an advising meeting with her, before your registration hold can be released.
- b. Otherwise, your registration hold will be released by Dr. Jeng before registration opens. There is NO need to contact your advisor to request the release.

4. HSLs Classes and BRICKS (Double Dipping)

- a. HSLs 1070 Voice and Articulation: Bridges – Speaking & Listening (BSL)
- b. HSLs 1080 Introduction to CSD: Bridges – Diversity & Practice (BDP)
- c. HSLs 1130 Deaf Community: Bridges – Diversity & Practice (BDP), effective fall semester 2024
- d. HSLs 2140 Deaf Culture: Foundations – Intercultural Exploration (FIE)
- e. HSLs 4420 Preprofessional Issues: Capstone (CAP)

5. Fall Semester Only

- a. HSLs 1130 Deaf Community: This is a popular elective course in HSLs.
- b. HSLs 3000: Aging and Disorders of Communication
- c. HSLs 3110: Advanced ASL I
- d. HSLs 4190 Organic Communication Disorders: This is a popular elective course in HSLs.

Sincerely,
Fuh-Cherng (Fuh) Jeng

2023-10-20

Dear HSLs undergraduate students,

I have six advising updates to share with you.

1. Key Dates

- a. Monday October 23: Academic advising begins.
 - b. Monday October 30: Priority registration opens.
2. **Academic Advising**
- a. While it is not mandatory for you to meet with your advisor for course registration, you are welcome to contact your advisor with questions that cannot be answered on my advising webpage at <https://people.ohio.edu/jeng/advising.html>.
 - b. Your advisor will contact you shortly with their preferred method of communication. If you have trouble connecting with your advisor after multiple attempts, please let me know.
3. **Registration HOLD**
- a. For first-year and second-year students, please follow the instructions from your advisor, Caela Chadwell, to schedule an advising meeting with her before your registration hold can be released.
 - b. For juniors and seniors, your registration hold will be released by Dr. Jeng before registration opens. There is NO need to contact your advisor to request the release.
4. **OHIO Guarantee Plus**
- a. If you are not enrolled in the OHIO Guarantee Plus program, you may skip this step.
 - b. If you are enrolled in the OHIO Guarantee Plus program, please follow the instructions from your success advisor, Caela Chadwell, to schedule an advising meeting, update your plan of study, confirm course selections, and receive relevant advising. You are also required to meet with your faculty mentor for career consultation and any other questions you may have. Your faculty mentor will contact you shortly with their preferred method of communication.
5. **HSLs Classes and BRICKS (Double Dipping)**
- a. HSLs 1070 Voice and Articulation: Bridges – Speaking & Listening (BSL)
 - b. HSLs 1080 Introduction to HSLs: Bridges – Diversity & Practice (BDP)
 - c. HSLs 1130 Introduction to Deaf Culture: Bridges – Diversity & Practice (BDP)
 - d. HSLs 2140 Deaf Culture: Foundations – Intercultural Exploration (FIE)
 - e. HSLs 4420 Preprofessional Issues: Capstone (CAP)
6. **Spring Semester Only**
- a. HSLs 3120 Advanced ASL II
 - b. HSLs 3140 ASL Development
 - c. HSLs 4130 Clinical Neuroanatomy

Sincerely,
Fuh-Cherng (Fuh) Jeng

2023-04-01

Dear Students

Dr. McDonald has a few announcements to share with you.

- a. HSLs 4710 Aural Rehabilitation: This section is offered online using an online course delivery and management system. Two in-person lab components are required during the designated day(s) and time(s) – Fall 2023 lab dates include Thursday, September 14 and Thursday, October 5. The instructor will provide details about the in-person requirements on or before the first day of class. Athens campus fees apply.

- b. Pending any issues identified in the fall, this is how HSLs 4710 Aural Rehabilitation will be offered for all future semesters. HSLs 5710 will also adopt the 7 week duration but will not have an in-person component. The graduate students will have additional assignments to make up for the lab components.
- c. Let me know if either of you have any questions or would like me to further clarify anything. If you do encounter a student that has a question you are not comfortable addressing, please let them know they can contact me through email and/or Teams.

2023-03-19

Dear HSLs undergraduate students,

I have six advising updates to share with you.

1. Academic Advising

- a. Although it is not required for you to meet with your advisor for course registrations, you are welcome to contact your advisor with questions that cannot be answered on my advising webpage <https://people.ohio.edu/jeng/advising.html>.
- b. Your advisor will contact you shortly with a preferred method of communication. If you have trouble connecting with your advisor after multiple attempts, please let me know.

2. Key Dates

- a. Monday March 27: Academic advising begins.
- b. Monday April 3: Priority registration opens.

3. Registration HOLD

- a. If your advisor is Ms. Caela Chadwell, please follow her instructions about scheduling an advising meeting with her, before your registration hold can be released.
- b. Otherwise, your registration hold will be released by Dr. Jeng before registration opens. There is NO need to contact your advisor to request the release.

4. HSLs

- a. Our school name will be **Hearing, Speech, and Language Sciences (HSLs)** starting from the fall semester AY 2023-24.
- b. When registering classes for the fall semester, you will need to search for HSLs classes (e.g., HSLs 1080, HSLs 2080).

5. HSLs Classes and BRICKS (Double Dipping)

- a. CSD 1070 Voice and Articulation: Bridges – Speaking & Listening (BSL)
- b. CSD 1080 Introduction to CSD: Bridges – Diversity & Practice (BDP)
- c. CSD 2140 Deaf Culture: Foundations – Intercultural Exploration (FIE)
- d. CSD 4420 Preprofessional Issues: Capstone (CAP)

6. Fall Semester Only

- a. HSLs 1130 Deaf Community: This is a popular elective course in HSLs.
- b. HSLs 4190 Organic Communication Disorders: This is a popular elective course in HSLs.

Sincerely,
Fuh-Cherng (Fuh) Jeng

2022-10-13

Dear CSD undergraduate students,

I have five advising updates to share with you.

1. Academic Advising

- a. Although it is not required for you to meet with your advisor for course registrations, you are welcome to contact your advisor with questions that cannot be answered on my advising webpage <https://people.ohio.edu/jeng/advising.html>.
- b. Your advisor will contact you shortly with a preferred method of communication. If you have trouble connecting with your advisor after multiple attempts, please let me know.

2. Key Dates

- a. Monday October 17: Academic advising begins.
- b. Monday October 24: Priority registration opens.

3. Registration HOLD

- a. For first-year students, please follow instructions from your advisor Caela Chadwell about scheduling an advising meeting with her, before your registration hold can be released.
- b. For sophomores, juniors and seniors, your registration hold will be released by Dr. Jeng before registration opens. There is NO need to contact your advisor to request the release.

4. CSD Classes and BRICKS (Double Dipping)

- a. CSD 1070 Voice and Articulation: Bridges – Speaking & Listening (BSL)
- b. CSD 1080 Introduction to CSD: Bridges – Diversity & Practice (BDP)
- c. CSD 2140 Deaf Culture: Foundations – Intercultural Exploration (FIE)
- d. CSD 4420 Preprofessional Issues: Capstone (CAP)

5. Spring Semester Only

- a. CSD 2140 Introduction to Deaf Culture
- b. CSD 3120 Advanced ASL II
- c. CSD 3140 ASL Development
- d. CSD 4130 Clinical Neuroanatomy
- e. CSD 4200 Multicultural Aspects in Communication Sciences

Sincerely,
Fuh-Cherng (Fuh) Jeng

2022-08-21

Dear CSD undergraduate students,

I have 4 advising updates to share with you.

1. CSD Classes and BRICKS (Double Dipping)

- a. CSD 1070 Voice and Articulation: Bridges – Speaking & Listening (BSL)
- b. CSD 1080 Introduction to CSD: Bridges – Diversity & Practice (BDP)
- c. CSD 2140 Deaf Culture: Foundations – Intercultural Exploration (FIE)
- d. CSD 4420 Preprofessional Issues: Capstone (CAP)

2. Fall Semester Only

- a. CSD 4190 Organic Communication Disorders
- b. CSD 1130 Deaf Community
- 3. **CSD 3900 and CSD 2500**
 - a. From now on, CSD 3900 will be offered in both fall and spring semesters.
 - b. Due to a schedule conflict this fall semester, OU registrar will not let you register these two classes concurrently.
 - c. If you have met all prerequisites of these two classes but have not yet completed any one of them, you may consider dropping CSD 3900 and taking CSD 2500 this fall semester. You can take CSD 3900 next spring semester or at a later time of your convenience.
- 4. **Physical Science Requirement**
 - a. The majority of SLP graduate programs in the U.S.A consider PSC 1051 a physics course and count it toward the ASHA Standard IV-A physics requirement. However, some SLP graduate programs may not recognize this automatically.
 - b. If you encounter this issue when applying for SLP graduate programs, you may visit my advising [FAQ #22](#), to download and forward “my letter about PSC 1051” together with “an example course syllabus” to them.

Sincerely,
Fuh-Cherng (Fuh) Jeng

2022-03-14

Dear CSD undergraduate students,

I have six advising updates to share with you.

- 1. **Academic Advising**
 - a. Although it is not required for you to meet with your advisor for course registrations, you are welcome to contact your advisor with questions that cannot be answered on my advising webpage <https://people.ohio.edu/jeng/advising.html>.
 - b. Your advisor will contact you shortly with a preferred method of communication. If you have trouble connecting with your advisor after multiple attempts, please let me know.
- 2. **Key Dates**
 - a. Monday March 21: Academic advising begins.
 - b. Monday March 28: Priority registration opens.
- 3. **Registration HOLD**
 - a. For first-year students, please follow instructions from your advisor Chelsea Freeman about scheduling an advising meeting with her, before your registration hold can be released.
 - b. For sophomores, juniors and seniors, your registration hold will be released by Dr. Jeng before registration opens. There is NO need to contact your advisor to request the release.
- 4. **Fall Semester Only**
 - a. CSD 1130 Deaf Community: This is a popular elective course in CSD.
 - b. CSD 3500 Audiology in Healthcare: This is a popular CSD elective course, previously known as CSD 4900. Starting from this upcoming fall semester, CSD 3500 will be the new course number to use.

- c. CSD 3900 Research Methods: This is a REQUIRED course. If you are a junior and have not completed statistics (PSY 2110 or MATH 2500), you must accomplish that before the end of this summer. Otherwise, you will be unable to take CSD 3900 in the following fall semester.
 - d. CSD 4190 Organic Communication Disorders: This is a popular elective course in CSD.
5. **PSC 1051 (Color, Light, and Sound)**
- a. The majority of SLP graduate programs consider PSC 1051 a physics course and count it toward the ASHA Standard IV-A physics requirement. However, some graduate programs may not recognize this automatically. If you encounter this issue when applying for graduate programs, you may download and forward [my letter about PSC 1051](#) together with [an example course syllabus](#) to them. Details about this announcement can be found on my advising [FAQ #22](#).
6. **Prerequisites to Take Statistics**
- a. The prerequisites for PSY 2110 and MATH 2500 have changed and are no longer limited to MATH 1200 College Algebra. Students can now take PSY 1110 or MATH 1200 to meet the requirements for PSY 2110. Similarly, students can now take MATH 1060, MATH 1200, MATH 1250, MATH 1260, or MATH 1500 to meet the requirements for MATH 2500.

Sincerely,
Fuh-Cherng (Fuh) Jeng

2021-10-14

Dear CSD undergraduate students,

I have six advising updates to share with you.

1. **Academic Advising**
 - a. Although it is not required for you to meet with your advisor for course registrations, you are welcome to [contact your advisor with questions that cannot be answered on my advising webpage](https://people.ohio.edu/jeng/advising.html) <https://people.ohio.edu/jeng/advising.html>.
 - b. Your advisor will contact you shortly with a preferred method of communication. If you have trouble connecting with your advisor after multiple attempts, please let me know.
2. **Key Dates**
 - a. Monday October 18: Academic advising begins.
 - b. Monday October 25: Priority registration starts.
3. **Registration HOLD**
 - a. For first-year students, please follow instructions from your advisor Chelsea Freeman about scheduling an advising meeting with her, before your registration hold can be released.
 - b. For sophomores, juniors and seniors, your registration hold will be released by the CSD main office before registration opens. There is NO need to contact your advisor to request the release.
4. **Spring Semester Only**
 - a. CSD 4130 Clinical Neuroanatomy
 - b. CSD 4420 Pre-Professional Issues

- c. CSD 4200 Multicultural Aspects in Communication Sciences
- 5. **CSD 2080**
 - a. CSD 2080 (Phonetics) is now offered in both fall and spring semesters.
- 6. **New General Education (BRICKS)**
 - a. So far, two CSD courses have been approved in the BRICKS system.
 - i. CSD 2140 is a Foundation course (Intercultural Exploration).
 - ii. CSD 4420 is a Capstone course.

Sincerely,
Fuh-Cherng (Fuh) Jeng

2021-08-21

Dear CSD undergraduate students,

I have five advising updates to share with you.

1. **Revised CSD Course Map**
 - a. To facilitate student learning, some prerequisite adjustments have been made for certain CSD UG courses. These adjustments are effective starting from this fall semester AY 2021-22. For clarity, these adjustments are marked in red on the [revised CSD course map](#) on my advising webpage.
2. **Fall Semester Only**
 - a. CSD 2080 Phonetics
 - b. CSD 3100 Language Development
 - c. CSD 3900 Research Method
3. **ASL Certificate**
 - a. The [Professional Deaf Resources Liaison Certificate \(i.e., ASL Certificate\)](#) is available to students starting from August 23, 2021.
 - b. Briefly, this requires the following courses:
 - i. CSD 1110 and CSD 1120 (pre-requisites)
 - ii. CSD 2110 and CSD 2120 (required)
 - iii. CSD 3110 and CSD 3120 (required)
 - iv. CSD 3140 (required)
 - v. CSD 1130 or CSD 2140 (choose one)
 - vi. ANTH 1010 or EDCS 1011 (choose one)
 - c. You can use [What-If DARS](#) to integrate the certificate requirements in your DARS.
 - d. To declare this certificate officially, you can submit an [online request form](#). Alternatively, you may visit the CHSP Student Services and submit such a request in person.
 - e. Details of this certificate can also be found on my advising [FAQ #21](#).
4. **New General Education (BRICKS)**
 - a. The [new General Education \(BRICKS\) system](#) will become effectively this fall semester. The old Gen Ed (Tiers) system will phase out in the following 3-5 years. During transitions, you may choose the Tiers or BRICKS system. Either way is fine. If you stay with your current general education system, no action is needed.
 - b. BRICKS include a minimum of 38 credit hours across five categories (Foundation, Pillar, Arch, Bridge, and Capstone).
 - c. So far, two CSD courses have been approved in the BRICKS system.

- i. CSD 2140 is a Foundation course (Intercultural Exploration).
 - ii. CSD 4420 is a Capstone course.
- 5. **CSD “Contemporary Professional Issues” Requirement**
 - a. OHIO registrar recently updated the CSD “Contemporary Professional Issues” requirement from “CSD 3410” to “CSD 3410 or CSD 4420” for students in the 2017-18, 2018-19, or 2019-20 catalog year.
 - b. If you are in any of the early catalog years and have not completed CSD 3410 nor CSD 4420, you will no longer be asked to change your catalog year to 2020-21 or later. In this case, you may simply take CSD 4420 to fulfill the CSD “Contemporary Professional Issues” requirement.

Sincerely,
Fuh-Cherng (Fuh) Jeng

2021-04-02

Dear CSD undergraduate students,

I have two advising updates to share with you.

- 1. **Academic Advising**
 - a. Although it is not necessary for you to meet with your advisor for course registrations, you are welcome to contact your advisor with questions that cannot be answered on my advising webpage <https://people.ohio.edu/jeng/advising.html>.
 - b. Your advisor will contact you shortly with his/her preferred method of communication. If you have trouble connecting with your advisor after multiple attempts, please let me know.
- 2. **Key Dates (Revised)**
 - a. Monday April 5th: Priority registration times are assigned.
 - b. Wednesday April 7th: Fall Course Offerings are available.
 - c. Wednesday April 7th: Academic advising begins.
 - d. Monday April 12th: Priority registration starts..

Sincerely,
Fuh-Cherng (Fuh) Jeng

2021-03-20

Dear CSD undergraduate students,

I have a few advising updates to share with you.

- 1. **Key Dates**
 - a. Monday March 29th: Priority registration times are assigned.
 - b. Friday April 2nd: Fall Course Offerings are available.
 - c. Monday April 5th: Academic advising begins.
 - d. Monday April 12th: Priority registration starts..
- 2. **Registration HOLD**

- a. For first-year students, please follow instructions from your advisor Chelsea Freeman about scheduling an advising meeting with her, before your registration hold can be released.
 - b. For sophomores, juniors and seniors, your registration hold will be released by the CSD main office before registration opens. There is NO need to contact your advisor to request the release.
- 3. S/NC Grading Policy**
- a. Similar to the past fall semester, OHIO provides an alternative Satisfactory/No-Credit (S/NC) grading policy.
 - b. Friday May 7, 2021 is the last day to opt in the alternative S/NC grading policy.
 - c. Students will be able to request the Satisfactory grade in MyOHIO Student Center after their faculty member has assigned their official grade and it is available in MyOHIO Student Center provided the course is not exempted.
 - d. All CSD undergraduate courses are not exempted and thus applicable to this S/NC policy.
 - e. FAQs are available on the University's webpage here <https://www.ohio.edu/registrar/spring-semester-grading-policy-faq>.
- 4. Catalog Year**
- a. If you are in the catalog year 2019-20 or earlier and have not completed CSD 3410 nor CSD 4420, you are encouraged to change your catalog year to 2020-21 (so that CSD 3410 is no longer a requirement for you).
 - b. If you are in the catalog year 2019-20 or later, MATH 1300 (Pre-Calculus) is no longer required for the degree. Additionally, you have an option to take PSC 1051 (Color, Light and Sound), instead of Physics or Chemistry, for the Physical Sciences requirements.
 - c. If you want to change your catalog year, you can simply email CHSP Student Services (chspss@ohio.edu) and fill out a request from there.
- 5. Revised CSD Course Map**
- a. To facilitate student learning, some prerequisite adjustments have been made for certain CSD UG courses. These adjustments will become effective starting from the fall semester AY 2021-22. For clarity, these adjustments are marked in red on the revised CSD course map that is posted on Dr. Jeng's advising webpage here https://people.ohio.edu/jeng/pdf/CSD_Course_Map_AY2021-22.pdf.
- 6. Fall semester only**
- a. CSD 2080 Phonetics: If you are a sophomore or junior and have not completed CSD 2080, you must take this course in the upcoming fall semester.
 - b. CSD 3100 Language Development: If you are a junior and have not completed CSD 3100, you must take this course in the upcoming fall semester.
 - c. CSD 3900 Research Methods: If you are a junior and have not completed statistics (PSY 2110 or MATH 2500), you must accomplish that before the end of this summer. Otherwise, you will be unable to take CSD 3900 in the following fall semester.
- 7. IHS courses**
- a. You may take any IHS courses that they are available to you, including some 3000 and 4000 level IHS courses. Please note that some of these high-level IHS courses have no prerequisites. That is, even a freshman or sophomore can take those courses.
 - b. For IHS 1200, however, it is not suitable for CSD students. IHS 1200 is designed primarily for freshmen and sophomores who are undecided and have not declared a

major. Because you all have declared a major in CSD, IHS 1200 is no longer a recommended course, as it will not benefit you as much educationally.

Sincerely,
Fuh-Cherng (Fuh) Jeng

2020-11-04

Hello CSD Juniors, Seniors, and HTC Students,

We are offering several CSD advanced level courses for 3 credit hours each this coming spring:

- **CSD 3120 Advance ASL II (Sign Level 6)**
 - This course is the final class in the sequence of six American Sign Language (ASL) courses. The advanced level classes provide students the opportunity to further develop more complex comprehension and production skills in ASL. This course is designed for students to develop mastery knowledge and proficiency of ASL and its subcomponents (e.g., vocabulary, morphology, grammar) and conversational proficiency with deaf signers within the context of the deaf culture. Course represents the capstone of the ASL course sequence and thus requires students to demonstrate ASL proficiency in real life situations.
- **CSD 3140 ASL Development**
 - Course focuses on cognitive and linguistic factors constraining the acquisition of American Sign Language (ASL) and its subcomponents (e.g., vocabulary, morphology, grammar) within a broad language acquisition perspective, emphasizing parallels between development of ASL and spoken language.
- **CSD 4710 Aural Rehabilitation (a prerequisite for some graduate programs)**
 - Provides students with a basic understanding of rehabilitation principles and techniques used with children and adults with hearing impairments. Emphasis will be placed upon application of concepts to real life problems encountered with these populations.
 - Required as a prerequisite for students applying to the MA-SLP program at Ohio University as well as many other universities
 - Students applying to the AuD program at OU are not required to take this as a prerequisite as they take an Aural Rehabilitation course as part of their graduate course work. NOTE: some other universities do require it as a prerequisite prior to admission.
- **CSD 4900 Special Topics - Clinical Neuroanatomy in CSD**
 - Basic structure and function of the human nervous system as it relates to clinical applications in Communication Sciences and Disorders. Provides students in speech language pathology and audiology, with foundational knowledge of the central and peripheral nervous systems, its relation to behavior and correlations to neurological disorders, such as stroke, traumatic brain injury, developmental disorders and underlying symptoms, like aphasia, dysphagia and apraxia. For more details and to complete the application for this seminar copy and paste this link copy link into your browser: <https://tinyurl.com/CSD-4900-Neuro-Application>. The application is attached as both Word and PDF for your convenience. Deadline to apply is November 20, 2020. Permission required – open to:
 - CSD Majors including HTC

- Junior or Senior status
- A grade earned of a B or better in CSD 2130
- Selection for participation will be based on registration access time and grade earned in CSD 2130
- Students will be notified by email of their application status by November 30, 2020 along with instructions for registering
- **CSD 4900 Special Topics - Audiology in Health Care**
 - A thorough description of the audiology profession and its presence in the health care field will be the primary topic. Provides students with a basic understanding of audiological evaluations and their interpretation that may be encountered when working with those with normal hearing and / or those that are hard of hearing while in a health care setting, such as private practice, hospital, ENT practice, educational and / or industrial setting. Students will also become educated on hearing conservation techniques and basic counseling that may benefit patients that are hard of hearing.

In addition, the following courses are required for students who attend Ohio University's MA-SLP graduate program and plan to pursue teacher licensure in any state. Note: More than 96% of our MA graduates complete the teacher licensure requirements. The following 2 courses can be taken as undergraduate. The final course along with an externship in the public schools are completed as part of your graduate studies at OHIO.

- Child Development Preapproved courses are: PSY 2410 or EDEC 1600 or HCCF 1600
- Exceptional Children/Special Needs Preapproved courses are: EDSP 2710 or PSY 3430

Additional details about the courses will be available when the online course offerings website goes live this Friday, November 6, 2020.

Feel free to discuss these options with your advisor as well.

Sincerely,
Fuh-Cherng (Fuh) Jeng

2020-10-28

Dear CSD undergraduate students,

I have four advising updates to share with you.

1. Academic Advising

- a. Although it is not necessary for you to meet with your advisor for course registrations, you are welcome to contact your advisor with questions that cannot be answered on my advising webpage <https://people.ohio.edu/jeng/advising.html>.
- b. Your advisor will contact you shortly with his/her preferred method of communication. If you have trouble connecting with your advisor after multiple attempts, please let me know.

2. Key Dates

- a. Monday November 2nd: Priority registration times are assigned.
- b. Friday November 6th: Spring Course Offerings are available.
- c. Monday November 9th: Academic advising begins.

- d. Monday November 16th: Priority registration starts.
3. **Registration HOLD**
- a. For first-year students, please follow instructions from your advisor Chelsea Freeman about scheduling an advising meeting with her, before your registration hold can be released.
 - b. For sophomores, juniors and seniors, your registration hold will be released by the CSD main office before registration opens. There is NO need to contact your advisor to request the release.
4. **S/NC Grading Policy**
- a. Friday, December 18, 2020, is the last day to opt into the alternative Satisfactory/No-Credit (S/NC) grading policy.
 - b. Students will be able to request the Satisfactory grade in MyOHIO Student Center after their faculty member has assigned their official grade and it is available in MyOHIO Student Center provided the course is not exempted.
 - c. All CSD undergraduate courses are not exempted, and thus applicable, to this S/NC policy.
 - d. Students earning a letter grade of A to C- in any course that is not exempt may choose either to opt in to receive an S (Satisfactory) grade for that course, or, by default, to keep their letter grade.
 - e. Any D+ to D- grade will be converted automatically to an S (Satisfactory) grade for any course that is not exempt.
 - f. Any F grade will be converted automatically to an NC (No Credit) grade for any course that is not exempt.
 - g. FN and FS grades will remain unchanged.
 - h. S and NC grades will have no impact on a student's GPA.
 - i. The S grade will meet all prerequisite, major, and degree requirements.
 - j. Satisfactory/no credit is slightly different than pass/fail. If Ohio University were to go with a pass/fail option, the "fail" would still affect a student's GPA, unlike the NC no credit option.
 - k. FAQs are available on the University's webpage <https://www.ohio.edu/registrar/coronavirus>.

Sincerely,
Fuh-Cherng (Fuh) Jeng

2020-08-14

Dear CSD undergraduate students,

I have two advising updates to share with you.

1. Dr. Fuh-Cherng (Fuh) Jeng will be your CSD Undergraduate Coordinator, effective this fall semester. Dr. Lee will still be the chair of our HTC program and will assume other important roles in our school. To make advising easy, I have created a student advising webpage here <https://people.ohio.edu/jeng/advising.html>, that is specially designed for you folks. I will centralize all advising contents on this webpage and will keep it updated. Please check it out and let me know if there is anything that can be improved.
2. All CSD undergraduate courses will be online for this entire fall semester. Yes! You guessed it. They will be online during Phase 2 as well.

- a. To determine whether all your courses (CSD or non-CSD) will be offered online, you can look it up on the Ohio University Course Offerings website here <https://webapps.ohio.edu/classes/search.htm>.
- b. If all of your courses will be offered online and you want to claim a fully online fall semester, you may email the University's Core Advising Team advisingcenter@ohio.edu. Because you are CSD students, your requests likely will be routed to our college and will be processed by our wonderful Chelsea Freeman, Betsy Kunstel, and Sara White.

Sincerely,
Fuh-Cherng (Fuh) Jeng
