

Salzburg Reunion Party

On October 15, 2006, several former participants from the 2006 program got together for a Reunion Party, where we shared a nice lunch (Gulaschsuppe, Schnitzel, Kartoffelsalat, Sachertorte, and JJ's "Oesterreich-Cake"), looked at several photo albums, and watched some of the films that the students made during their final assignments.

For those who were not able to attend, sorry you weren't there! Here are some pictures:
