

Week 9

Tuesday: Tour of Salzburg's Stiegelbrauerei

Wednesday: Excursion to the [Salt Mines in Hallein/Duernnberg](#)
Students had to wear protective clothing for the mines.

To reach the mine inside the mountain, one must first ride a train inside the mountain.

To reach the lower levels of the mine, one must ride the slide.

Thursday: To discuss Erich Kästner's novel Der kleine Grenzverkehr, which has one scene take place in the Stieglkeller, we held class in the Stieglkeller.

While in the Stieglkeller, our class was interrupted by a film production (or was it the other way around?). The film's star, [Elfi Eschke](#), did not, however, want to join our discussion of Kaestner.
