

Salzburg 2009: Week 8

Week 8 was a short week because of the holiday, and we did not have any photo-worthy group activities. That's the perfect opportunity to highlight some of the weekend trips that students have been making. All pictures below were taken by students on their travels.

Budapest, Hungary:

London, UK:

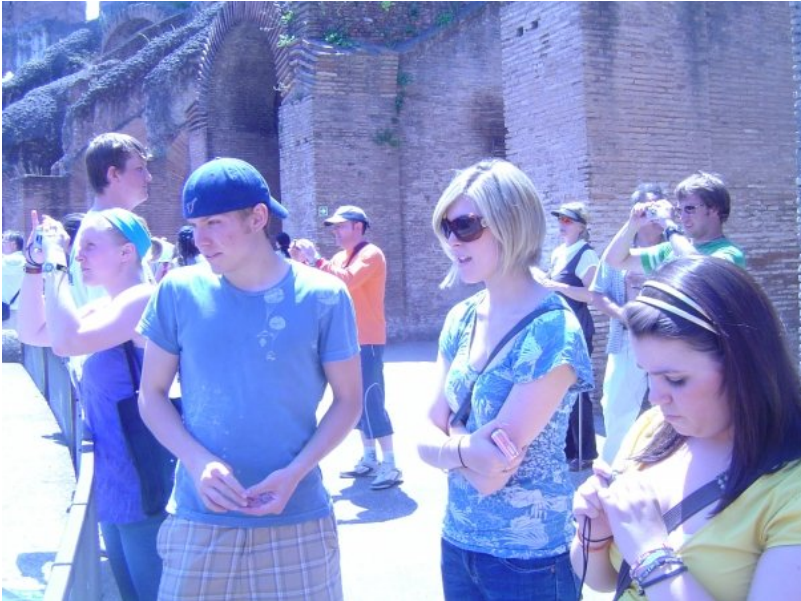

Ireland

Rome (and a nearby beach)

and of course, some students stay in Salzburg on weekends:

Other destinations have been: Amsterdam, Dresden, Leipzig, Prague, Copenhagen, Kiel, Düsseldorf, Nürnberg
